did it to me'

PROGRAM**

**Least of All My
Brethren**

About This Program

In 2022 the Least of All My Brethren (LAMB) 1882 program was introduced. The program will help support organizations in our local communities that aid those who are most vulnerable and in need such as: housing the homeless, feeding the hungry, aiding the disabled, providing education, and promoting pro-life values.

Currently there is no major funding mechanism for the KofC State Council to pool efforts towards common state goals/programs (other than our partnering efforts for causes like the Special Olympics, Ultrasound Mission, and Global Wheelchair Program).

How to get Involved

To support this program we ask for a donation of *\$18.82 per member per year* in honor of our Order's founding in 1882 by Blessed Michael J McGivney.

For a limited time every dollar donated will be matched, so please donate today.

This is a great opportunity for your council to host a fundraiser at your parish. Remember anyone can donate individually as well, not just KofC members. Help spread the word at your Parish today!

The Goal

The LAMB 1882 program's funding objective is to pool financial resources in Columbus Charities so together we can support game changing initiatives across the state.

The goal is to fund \$2.5 million with the Knights of Columbus Asset Advisors. For the first \$1 million we intend to grant 5% of the donated funds back to the top 5 donating councils each year and 5% to council approved 501(c)(3) organizations, additional grants will be awarded.
